DS200®

Poll Place Scanner and Tabulator

Protective cover

Cover has heavy-duty rubber seal to shelter DS200 from elements during transport.

Easy to set up

Lid-up, power-on approach allows poll workers to easily open polls.

Touch-screen display

Provides voters with instructions and immediate feedback. Tension bearings hold screen in place for custom positioning.

Ballot/card slot

Voters cast both ballots and vote summary cards here; accommodates up to 19-inch ballots.

Auxiliary ballot compartment

Main ballot compartment

Easy, hassle-free storage of up to 3,500 ballots.

Enhanced voting experience

The DS200 is a poll place-based scanner and vote tabulator equipped with the latest in ES&S' patented technology. Fully certified and compliant with EAC guidelines, the DS200 enhances the voting experience for voters and election officials alike. Our patented Intelligent Mark Recognition (IMR®) and Positive Target Recognition & Alignment Compensation (PTRAC®) technologies ensure even the most poorly marked ballots are read accurately and consistently — protecting voter intent. All of this is designed to make everyone's job easier.

11 14-inch flat ballots processed per minute

Accurate

The DS200 combines ES&S patented IMR and PTRAC technologies to accurately distinguish between valid and extraneous marks, perforations, smudges and folds, reducing the number of ballots requiring time-consuming manual adjudication.

Reliable

Having both battery backup and thermal paper means you never have to worry about power outages or printer ink. The DS200 includes optional redundant data storage.

Secure

Like all ES&S tabulation equipment, the DS200 includes physical security features such as locking panels and security seals to secure sensitive components and election files as well as a key-locked case for transport and shipping. The DS200 operating system controls, limits and detects unauthorized access to all critical data. The system also includes safeguards, such as data encryption and digital signatures, that help protect sensitive data and verify authenticity, including certification of all firmware.

Compatible

Works in conjunction with:
- ExpressVote® Universal Voting System
- ExpressVote® XL Full-Face Universal Voting System
- DS450® High-Throughput Scanner & Tabulator
- DS850® High-Speed Scanner & Tabulator
- DS950® High-Speed Scanner & Tabulator
- Electionware® Election Management Software
- AutoMARK® Ballot Marking Device
- Election Reporting Manager®

> " The election yesterday went so well,
> I hugged my DS200 at the end of the night."
>
> **Annette Stashek**
> **Village of Whiting, WI, Village Clerk**
